

## Purchasing Manager to X-Yachts Composites in Goldap

Do you want to be part of a high brand company with a high growth ambition? Are you able to structure projects and be the prime partner towards our suppliers in Poland and nearby countries?

X-Yachts has designed and manufactured luxury yachts for 41 years and will launch their first power boat early 2021. X-Yachts operates in two locations, in Denmark and Poland.

You speak Polish and English at a high level, have a good drive and see development and improvements as your main targets. Knowledge from the maritime industry is an advantage, but not a firm demand. You probably hold a degree related to engineering or supply chain and have already had some years of experience within procurement.

You will have your base at our factory in Goldap but is willing to spend time at our headquarter in Denmark as well as travel 30-40 days a year.

Your main tasks will be to:

- Manage major investment projects: preparation of pre-investment analyzes, offers, documentation and obtaining appropriate permits or approvals for the introduction of individual investment tasks as well as coordinate all tasks internal as well as external.
- Develop existing suppliers as well as identify new suppliers
- Build strong relations with key suppliers
- Take part in development projects when we develop new boats
- Be the bridge builder between external partners/suppliers doing sub supplier work
- Analyze our spend and optimize where possible
- Support establishment of warehouse and direct buying from Goldap
- Take part in developing our procurement strategy

We offer:

- Interesting work in a dynamic team in an international environment
- Attractive remuneration combined with personal satisfaction with the results achieved
- Attractive bonus package
- Permanent employment
- Friendly atmosphere
- At least two weeks' planned holiday in the summer
